

Camp Kilpatrick Replacement Project

Children's Commission – LA Model Project Meeting

Project Understanding

- New Replacement Facility, 120 Beds
- Emphasis on the individual and small group living and program delivery
- Care & Custody vs. Custody & Control
- Emphasis on a holistic Integrated Treatment Model
- Emphasis on education, skill acquisition, intervention and behavioral modification
- A physical environment that is non-institutional, residential/home-like living accommodations and capitalizes on the climate by bringing the inside-out and the outside in

“... the Camp Kilpatrick project is about more than constructing a replacement facility ... it is about a vision for the future ... a vision focused on youth treatment resulting in improved outcomes for each individual, their community and society ... it will establish a new model for LA County, California and the nation ...”

- Probation Staff
- LACOE Staff
- DMH Staff
- JCHS Staff
- CBO Staff
- FBO Staff

Probation Staff 56 Hour Shift

- 56-hour shift are required per local labor contracts for SDPOs and DPOs/GSNs
- Recruitment Notice will offer all shift options to support the LA Model (56-hour, 5-40, 5-40 flex, 9-80 and 4-10)
- Actual staff shift barriers will be determined by staff interest in shifts offered

Staff Recruitment

- Meetings have been held with Local 721 and 685 relative to LA Model Packet
- Packet included Memo and Recruitment Notices
- Memo described Vision of LA Model
- Recruitment Notice for Implementation Team and Facility Staffing
 - Local 721 supports the LA Model Packet
 - Local 685 is still reviewing but supports the direction

Two Phases of Staff Recruitment

- Implementation Team
 - 1 – SDPO
 - 2 – DPO IIs
 - 2 – DPO Is
- Facility Staffing identified for Pilot Phases
 - Staffing budgeted items from Camp Kilpatrick and Camp Miller
 - In pilot phase appropriate staffing will be identified

What is the LA Model?

Clothing for Youth

- School Uniform
- Recreation Clothing
- Shoes
- Laundry

Clothing for Staff

- No badges
- No boots
- No military resemblance
- Business casual clothing
- Professional identification for public outings

How will the LA Model support parent engagement?

- Provide transportation
 - Reach out to local churches
 - Utilize DMH vans
- Family Orientation
- Provide a Definition of “Family”
- Family Bill of Rights
- Family Advocate/Family Engagement Coordinator

A young Black woman with short, curly dark hair is looking directly at the camera through a chain-link fence. She has a serious expression. The background is blurred, showing green foliage and a white fence post. A blue banner is at the bottom left.

How do we change the culture?

LA Model Core Characteristics

- Small groups, small cottage
- Extensive and ongoing individual attention
- Safety through staff proactive supervision and positive peer relationships
- Parents are partners
- Intensive aftercare planning and support
- Academic, vocational, and communication skills support

Assumptions of the Treatment Model

- People are doing the best they can.
- People/Youth want to improve.
- People need to do better and try harder to change.
- People may not have caused all their problems and they have to solve them anyway.
- Teens and families must learn and practice new behaviors in all aspects of their life.
- Kids and families cannot fail.

5 Basic Functions of Treatment

- 1. Enhancing Capabilities
- 2. Improving Motivation
- 3. Ensuring Generalization of Skills
- 4. Structuring the Environment
- 5. Enhancing Provider Skills and Motivation

Core Components

- Individual Therapy
 - Goal is to increase youth's motivation to change.
- Skills Training
 - Core Mindfulness
 - Interpersonal Effectiveness
 - Emotion Regulation
 - Distress Tolerance
- Consultation Group
- Milieu in Residential Setting

What does the LA Model provide to youth?

- Individual Counseling
- Group Counseling
- A Therapeutic Milieu that is consistently upheld and reinforced
- Youth Centered Case Planning that includes the family
- Cognitive Behavioral Therapy
- Substance Abuse Services for those youth who need it
- Education through RTSA
- Pro-social Activities
- Physical Activity
- Arts
- Life Skills
- Focus on Reentry to Community from Day One

How will the LA Model Improve Youth Outcomes?

- All staff will work together and speak the same treatment language
- DMH will provide mental health services
- DHS will provide physicals to youth
- All staff help teach relationship skills, problem-solving skills, and support emotional and social-emotional intelligence
- RTSA will provide education and credit recovery options

How will the LA Model Build on Youth's Skills?

- Pro-social activities and hobbies
- An approach emphasizing positive youth development
- Identify community programs to support youth's strengths
- Individualized, behavior-focused with supplemental case planning

What will make the LA
Model Successful?

STAFF

- Staff must be dedicated to a therapeutic approach
- Staff from all departments must work together for the greater good of the youth
- Open-minded staff
- All staff from every department will be trained together as one unit working together to better the lives of the youth
- Consistent staff
- Staff schedules that accommodate regular check-ins

Assessments

- Goals
 - Use one assessment per decision
 - Review appropriateness of current assessments
- Agree to move to two assessments
 - Placement to camps
 - Research methodology
 - Services to youth at camps

How will we name
the cottages?

Thank you!
